Draw What You Hear

Hey folks! I'm Arty Arthur. I'm a new member of the Curiosity Chronicle Club.

Art is a great way to keep your brain engaged! Some people are great at just listening, but me, well I need to keep my hands busy—it helps me listen better! So I've created Arthur's handy-dandy "Draw What You Hear" pages to help you get the most out of Curiosity Chronicles.

You could draw what's happening in each Snapshot in order. You could draw your favorite parts. You could draw what you have questions about. Draw whatever you want! Make as many copies of these pages as you need to stay engaged all year long.

I've included a sample of my own "Draw What You Hear" below to give you some ideas.

Happy drawing!
